Cookies

To make https://caspinex.com/ work properly and to enhance your user experience, the Technology Platform sometimes places small data files called cookies in the user's device.

1. What Are Cookies?

1.1. Cookies are text files containing small amounts of information which are downloaded to your computer or mobile device when you visit a certain webpage. Cookies are then sent back to the originating webpage on each subsequent visit, or to another webpage that recognises that cookie.

1.2. Cookies do lots of different jobs, like letting you navigate between pages efficiently, remembering your preferences, and generally improving the user experience. Cookies may tell us, for example, whether you have visited our websites before or whether you are a new visitor. They can also help to ensure that ads you see online are more relevant to you and your interests.

2. How Do We Use Cookies?

2.1. This Technology Platform uses Google Analytics, a web analytics service provided by Google, Inc. ("Google"). Google Analytics uses cookies to help the Technology Platform analyze how users use the site. The information generated by the cookie about your use of different sites (including your IP address) will be transmitted to and stored by Google on servers in the United States. Google will use this information for the purpose of evaluating your use of sites, compiling reports on sites activity for sites operators and providing other services relating to sites activity and internet usage. Google may also transfer this information to third parties where required to do so by law, or where such third parties process the information on Google's behalf. Google will not associate your IP address with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings on your browser, however, please note that if you do this you may not be able to use the full functionality of the Technology Platform. By using the Technology Platform, you consent to the processing of data about you by Google in the manner and for the purposes set out above.

3. How to Control Cookies?

3.1. You can control and/or delete cookies if you wish. You can delete all cookies that are already on your computer and you can set most browsers to prevent them from being stored therein. If you do this, however, you may have to manually adjust some preferences every time you visit the Technology Platform and some services and functionalities may not work.
